

## Commit to Sustainability

A gala event to celebrate the first BPN/Environ Sustainability Awards will be held on November 1, 2007.

Sponsored by Bradcore, CSR Hebel, Everhard, Global Ventures Australia, James Hardie, Stegbar and Vergola, the awards program recognises and rewards excellence in Australia's design and construction industry by acknowledging those delivering best practice in energy efficient and sustainable buildings.

The awards are open to all companies who have, or will have, completed a project in Australia in the period 30 June 2006 to 30 June 2007.

As an architect, building designer or builder, nominating your company for a BPN/Environ Sustainability Award is an excellent way of recognising the efforts your company has put in over the past year.

Nominees, finalists and winners will receive publicity in *BPN* which helps to broadcast your achievements to others in the industry.

You will be able to use the BPN/Environ Sustainability Awards logo in advertising, trade show graphics, product literature and online.

Entry is free.  
The closing date is 14 August 2007.

Finalists will be announced in the October 2007 issue of *BPN* and the category winners, the highly commended and overall winner will be announced in the December 2007 issue.

With your support, the BPN/Environ Sustainability Awards will become Australia's premier energy efficient and sustainable buildings awards program.

## BPN/Environ Sustainability Awards Nomination kit

### Eligibility

Any company that designs or constructs buildings that are built in Australia may enter. Companies can enter more than one category, or project.

### Submission requirements

For EACH entry, submit the following:

- . nomination cover form in electronic version
- . nomination questionnaire in electronic version
- . up to six different colour images that support the written description

NB: Images must be provided in JPG or GIF format at 300 dpi resolution.

Email entries to: [sustainability@reedbusiness.com.au](mailto:sustainability@reedbusiness.com.au) or send them by post to:

BPN/Environ Sustainability Awards  
Attn: Bahieya Sipos  
Event Manager  
BPN/Environ Magazines  
Locked Bag 2999  
CHATSWOOD NSW 2067

*BPN* will retain all material submitted.

Please type or print clearly.

Provide ALL information requested.

The company name and project name should be shown as they would appear on an award, if received.

### Judging

Only the submitted work will be judged.

The judges reserve the right to make the final decision on the awards. No correspondence will be entered into.

## **Nomination Questionnaire**

1. **Describe the project and category entered.** For example: who was the client, what was their brief in regard to sustainable outcomes and where was the project located?
2. **Did mandatory requirements (State or Local Council) influence the project?** If yes, outline what these were.
3. **To what extent, if any, did the project surpass mandatory requirements?**
4. **What was particularly innovative (in ESD terms) about this project?**
5. **What environmental strategies were incorporated in the design?** Please outline in point form on not more than one A4 page.
6. **What environmental products were incorporated in the design and how?** Please outline in point form on not more than one A4 page.
7. **Was any recycled content used in the project.** Please outline in point form on not more than one A4 page.
8. **Were recyclable building practices implemented on site?** Please outline in point form on not more than one A4 page.
9. **What, if any, cost factors influenced the ESD decisions?**
10. **Explain how this project significantly contributes to good environmental design and construction?**
11. **What raw or recycled materials do you consider to be the most environmentally friendly?**

**PLEASE SUPPLY UP TO SIX HIGH RESOLUTION (300dpi) IMAGES THAT ILLUSTRATE THE DESIGN AND PRODUCT CHOICES MADE IN THIS PROJECT.**
