

COHOUSING FORUM

Future solutions

Current trends in Cohousing Denmark, Holland, USA and Canada

KEY PRESENTER Andrew Partos
Senior Urban Designer VicUrban
Victoria's Sustainable Development Agency.
Recently awarded the John Tabart Scholarship
for researching the latest trends in cohousing
around the world.

COHOUSING ADDRESSES...

- Affordability, Environmental, Social/Community = triple bottom line approach.
- 10% of new development in Denmark is CoHousing. Growing trend in other countries as well.
- VicUrban regards cohousing as an innovative method of delivering on many of their sustainability initiatives across their development projects.
- Forum suited for professionals and general community. It will be interactive and provide opportunity for discussion and questions.

WHEN

Saturday 20th October, 1:45 - 5:30pm

followed by discussion and refreshments. BYO encouraged.
